

## **Medical Director (P/T Contract basis)**

With a team of caring and committed individuals and hundreds of dedicated volunteers, we are working to eliminate the stigma and overcome health disparities impacting the Lesbian, Gay, Bisexual, Transgender and Queer + (LGBTQ +) community and to create a healthy Orange County for everyone. It's an exciting time for us and is a great opportunity to be part of this growing organization.

Radiant Health Centers (RHC) formerly AIDS Services Foundation OC is growing. We recently received funding for family planning and are in need of a part-time Medical Director to guide our management team as we plan for the establishment of our health clinic.

The Medical Director will

- Develop, direct, review and implement medical and patient care policies, procedures, protocols and programs.
- Collaborate with management to ensure state and federal medical compliance with all regulatory, and accreditation requirements for clinical services as well as managing the applications for accreditation and regulatory programs.
- Advise management team on clinical and patient related matters and policies as well the implementation of programs to support and meet care management goals.
- Provide medical education, consultation, and supervision to staff.
- Establish linkage with pharmacy, dental care, and community referral entities, social support resources to improve and expand the scope of services available through community referrals.
- Provide expertise to effectively and efficiently resolve complex or unique administrative issues.
- Perform clinical oversight for the services provided.

Working for a non-profit requires a unique and dedicated individual. We are looking for candidates with the following qualities and qualifications:

- Doctor of Medicine degree.
- A minimum of 5 years post-residency experience in direct patient care.
- 5-10 years of healthcare leadership experience.
- Substantial experience and expertise in the development of medical policies and procedures and programs required.
- Experience in healthcare administration for a Federally Qualified Health Center.
- A working knowledge of clinical medicine and medical practice.
- Knowledge of community health centers, public health, quality management and assurance, patient safety, risk management, accreditation standards, healthcare compliance, medical delivery systems, peer review, benefits and medical staff relations.
- Experience with Title X services and funding.
- Family Pact experience required.

- Experience working with and managing electronic medical records.
- Knowledge of PrEP and PEP.
- Experience working and sensitivity towards the LGBTQ population.
- HIV Certification preferred.

If you possess those qualities and want to make a difference in the community, please submit your resume to us.
