OUR MISSION

Radiant Health Centers will end the AIDS epidemic for men, women and children in Orange County through HIV prevention and links to care and treatment while eliminating the stigma of AIDS.

OUR STORY

Founded during the AIDS crisis in 1985 when people were dying, had nowhere to turn and desperately needed help, Radiant Health Centers has been evolving to meet the need in Orange County since its early days as AIDS Services Foundation. Radiant Health Centers is now the largest and most comprehensive nonprofit HIV/AIDS service provider in Orange County, with a staff of committed and caring professionals, board of directors and hundreds of dedicated volunteers. During our 2017-2018 fiscal year, we are proud to have helped more than 11,000 men, women and children, along with their families, who are either living with HIV or are impacted by HIV. While our name has changed and our services grown, the caring and compassion at the heart of our mission will never change.

Beginning a
HEALTHY TRANSITION
A MESSAGE FROM THE
CEO & BOARD PRESIDENT

The most visible change of our 2017-2018 fiscal year was our name change and rebrand from AIDS Services Foundation Orange County to Radiant Health Centers.

Our new, more inclusive name is an important first step toward providing the expanded services that people at risk of getting HIV need. We are still the same caring and compassionate organization and continue to offer the same vital social services.

This year, we’re proud to have helped thousands of men, women and children living with or affected by HIV in our community. We helped even more people find housing and transportation, be fed, get emotional support through peer groups, connect with case workers for links to social services and medical care, and learn how to reduce their risk of HIV.

We also began laying the groundwork to provide health services for the LGBTQ+ community. With medical advances like PrEP and PEP, we anticipate an end to HIV/AIDS in our lifetimes, but only if organizations like ours step up to help those at risk access the healthcare and medicines they need.

We have seen firsthand how stigma, poverty, cultural misunderstandings and other health barriers heighten health risks in Orange County’s vulnerable LGBTQ+ population. So, this year, we also lay the groundwork for a capital campaign to fund our vision for a welcoming healthcare center that would be operated with the same caring and compassion as our valuable social services.

The LGBTQ+ community faces severe discrimination in healthcare. The only way we can get to zero new HIV transmissions is to address underlying health inequities and expand services for the LGBTQ+ community.

We will continue to add new health services at Radiant Health Centers over the coming years until we get to zero new HIV infections.

Yours in service,

Phil Yaeger,
Executive Director/CEO

Mark Gonzalez,
Board President
OUR CLIENT & FAMILY SERVICES

Radiant Health Centers provides compassionate care for all, including free HIV testing and other specialized medical and comprehensive social services. We are working to eliminate stigma and overcome health disparities impacting the LGBTQ+ community to create a healthy Orange County for all.

Clients who come to Radiant Health Centers for testing or care are treated with dignity, respect and, above all, compassion. We help anyone in need of care, and we do not discriminate. Our team of professionals and our supporters in the community are passionate about health equity and believe everyone deserves high-quality healthcare.

HEALTH EDUCATION & PREVENTION for 4,417 People

Our Health Education and Prevention program informs at-risk members about LGBTQ+ health equity, how to avoid HIV transmissions and to learn their status—which is the key to prevention and ending the epidemic.

We work with the general public and at-risk communities on prevention education and those already living with HIV on ways to prevent the spread of HIV. Our programs are provided at no cost to participants.

In 2017, Radiant Health Centers provided:

- **5 LARGE-SCALE SOMOS OUTREACH EVENTS**
  - Attended by 832 people.

- **31 HIV 101 WORKSHOPS**
  - Educating 769 individuals.

- **88 POSITIVELY SPEAKING ENGAGEMENTS**
  - Reaching more than 2,816 participants in junior high, high school, college, universities and community settings, discussing real-life facts about HIV/AIDS in Orange County.
SOMOS HIV PREVENTION PROGRAM
Helped 22% More Young Men This Year

SOMOS is an HIV prevention social group for young gay and bisexual men ages 18–29, which uses an Mpowerment project model designed to address the needs of this group. This program enacts a sex-positive intervention that teaches the participants about HIV and STIs, safe sex practices, HIV testing and PrEP and PEP medications.

These activities were offered in 2017 at no cost to participants:

12 MPOWERMENT SEMINARS
Teaching condom negotiation skills and other safer sex techniques attended by 227 Spanish-speaking, Latino, gay/bisexual men aged 18-29.

39 SOMOS MULTI-SESSION CORE GROUPS
Meetings took place to educate and empower 76 participants.

CASE MANAGEMENT
Helped 15% More HIV+ People Stay Healthy

Our case managers help keep our community healthy by ensuring that each client receives assistance personalized to their individual needs. Our case management program removes barriers to care and addresses the multifaceted needs of individuals and families living with HIV, ensuring that each client receives the appropriate care to stay healthy.

1,550 Clients accessed case management
8,239 Direct Care coordination contacts
16,515 Service coordination contacts
41 Clients Provided with home healthcare and/or DME
HIV & HEPATITIS C TESTING SERVICES

In 2017, 303 people in Orange County were newly diagnosed with HIV, which is a decrease compared to 2016. The only way to stop Orange County’s HIV epidemic is through testing. When a person knows their status and is linked to care through Radiant Health Centers, they are much more likely to stay healthy and much less likely to spread the virus to other people. We performed 14 percent fewer free, anonymous HIV tests in 2017 and 9 percent more Hep-C tests.

RADAR’S HIGH-IMPACT PREVENTION EFFORTS

Based in Santa Ana, RADAR provides free, anonymous HIV and Hepatitis-C testing throughout Orange County. This high-impact program is funded through a CDC grant.

Of the 646 people tested, 605 or 93.7% are categorized AS HIGH RISK.

HIV TESTING

- 2,095 HIV Tests
- 46 HIV Diagnoses

HEPATITIS-C TESTING

- 317 Hepatitis-C Tests
- 75 Hepatitis-C Diagnoses

605 or 93.7% are categorized AS HIGH RISK.
MENTAL HEALTH SERVICES
Supported 217% More People
In addition to individual and group counseling sessions, our free/low-cost mental health program provides individual, group, family and couples counseling to address the mental health needs of our clients and the broader LGBTQ+ community.

98 Individuals
54 Couples/Families
165 Support Groups
76 Mental Health Groups

NUTRITION SERVICES
Fed 25% More People than Last Year
Maintaining a healthy weight is essential when living with HIV. Radiant Health Centers’ Health & Wellness Food Pantry and Nutritional Program provides clients with high-quality ingredients for meal preparation and supplements.

Our Nutrition Services program provides groceries, vitamins, nutritional supplements and nutritional education through its on-site food pantry.

497 Low-income disabled clients received:
26,438 Cans of nutritional supplements including Ensure, Glucerna & Boost
2,160 Registered dietitian face-to-face contacts
4,149 Free food orders which translate to 132,768 nutritious meals
302 Clients seen by a registered dietitian
2,019 Registered dietitian service coordination contacts

www.radianthealthcenters.org
TRANSITIONAL HOUSING

Need reduced by 17% and Transitional Housing by 13%

Radiant Health Centers provides a range of housing-related services. Eligible clients can receive financial assistance for rent and mortgage payments, help with utilities, rental deposits and emergency and short-term supportive housing. Reliable and secure housing is crucial to our clients’ wellbeing and a first big step to live a healthy life.

In 2017/2018 we offered:

- Life skills workshops held 98 clients: 102
- Clients served through transitional housing: 43
- Bed nights provided via transitional housing: 3,359
- Clients served through the Housing Plus Project: 127
- People helped with 82 payments through STAR program: 27
- Utility payments made: 4
- Security deposits provided to 65 clients: 45
- Rental payments made: 31
- Housing Plus Program (HPP) payments made totaling $567,000: 1,007
TRANSPORTATION SERVICES

Issued 32% More Monthly Bus Passes

Since getting to appointments can be challenging for some of our clients, we transport eligible clients to health care and social services appointments through public (bus passes and ACCESS fare coupons) and private (taxis and our own Radiant Health Centers' vans) means. Depending on the client's need as assessed by a case manager, any or all of these methods of transportation could be used. This past year, we used more monthly passes/ACCESS coupons and worked with our clients to maximize their transportation benefits.
FAMILY & CHILDREN’S PROGRAMS

Helped 8% More Kids

The Family and Children’s Programs help families and children affected by or infected with HIV by easing their financial burden and providing them with fun family outings and activities.

Through these programs, Radiant Health Centers offers these children a safe environment where they can express their feelings, learn new things, interact with others and gain HIV knowledge. Last fiscal year, approximately 250 individuals and 80 families benefited from at least one Family Programs event.

Kids Club Helped 18 Children and 6 Volunteers

Kids Club is a support group that runs for 30 weeks of the school year. This support group is for children ages 6-17 who are living with HIV/AIDS.

Enrichment Program Provided 15 Enrichment Opportunities

Through the Enrichment Program, 15 children were able to be part of several sports, arts, and educational courses. The following are a few examples of the extracurricular activities the children participated in: basketball lessons, baseball little leagues, swimming lessons, boxing classes, summer camps and retreats, karate classes, kids pitch classes.

Emergency Fund Program Helped 20 Families

The new Emergency Fund program is designed to help our families who are experiencing unforeseen expenses arising from a personal or financial crisis. In 2017, we helped families with the following items: shoes, school uniforms, diapers, refrigerators, infant crib and mattress, infant drawer, booster seats, gift cards for children’s clothing, basic family hygiene items, and more.

Family Camp Helped 51 Children and 27 Adults

Family Camp is a three-day camp for families who are affected and infected by HIV/AIDS. The families are taken to Camp Schermann where they experience canoeing, horseback riding, archery, hiking and rock scrambling, camp arrow ceremonies, and more.

Family Camp is always a highlight because it gives our Radiant Health Centers families a unique experience. The theme for Family Camp 2017 was Candy Land. We had a total of 112 participants (children, parents, and volunteers). Camp was full of activities that made the weekend unforgettable for all the participants. Camp is incredibly special because it often is the only vacation that the children take in the entire year.
Back to School Program Helped 105 Children
This program provides our clients’ children with school supplies like backpacks, rulers, folders, etc. and $40 worth of gift cards for shoes and clothing. In 2017, the program was very successful, helping a total of 105 children with a gift card and essential school supplies.

Knott’s Berry Farm/Soak City Family Event Made Memories for 43 Families
Family Programs provided our clients and their children with a family day at Knott’s Berry Farm or Soak City. Thank you to the 7 volunteers who made this outing possible for 197 kids and adults.

Positive Youth Outings Were Held for 10 HIV+ Teens
This program is only for HIV-positive teens and young adults that are aware of their status. There have been 8 outings for this program thanks to help from three volunteers serving 10 participants.

Holiday Gift Program—Gave Gifts to 64 Families including 135 Children
This past holiday we were able to provide gifts for parents to give to their children. Thanks to the great monetary and toy donations, 120 children received a $50 gift card from their parents with 135 kids receiving toys.

Thanksgiving Baskets Fed 20 Families
The SOMOS group at Radiant Health Centers fundraised for Family Programs to be able to make Thanksgiving Baskets for 20 families.

Movie Tickets for 70 Families
One of the most accessible and successful programs for our clients is the Movie Ticket Program. Clients are given four movie tickets to attend any Regal Movie Theatre. We gave 70 Concession Gift Cards ($20 each) for 280 movie passes total.

Segerstrom Center for the Arts Partnership Brought the Visual Arts to 18 Youth
The SCFA partnership gave Family Programs the opportunity to have Markus Tracy, a mural artist, teach the children about visual arts. The 4-week art workshop had 18 participants ages 6-17 who used art to express their most creative side. Thank you to our 7 volunteers for their classroom help.
WE WERE HELPED BY EVEN MORE VOLUNTEERS THIS YEAR

THANK YOU!

Radiant Health Centers’ tradition of caring was started in 1985 by a small but dedicated group of volunteers. Today, volunteers are critical to the continued success of Radiant Health Centers. We are very grateful for the everyday contributions these special heroes make to us and to our clients.

Whether assisting in the food pantry fulfilling orders or making deliveries, performing office tasks, providing HIV testing or helping at events, this dedicated and compassionate corps of volunteers contributes not only valuable time but also emotional support for those who are among the most vulnerable.

In 2017, 588 individuals volunteered 22,710 hours of service to RHC. The dollar value of this assistance, based on the valuation of $29.09 per hour for volunteer time in California as established by the Independent Sector, totaled $660,633.90. RHC registered 102 new volunteers this year and utilized 60 undergraduate interns.

239 Volunteers donated 1,024 hours for AIDS Walk

145 Volunteers donated 567 hours for Orange County Ride for AIDS

7,717 Hours donated to the Food Pantry

40 Volunteers donated 296 hours for Annual Gala

1,005 Hours donated for office assistance
MOMENTS, MILESTONES & MAKING A DIFFERENCE
MAJOR INITIATIVES OF 2017-2018:

AIDS SERVICES FOUNDATION ORANGE COUNTY BECAME RADIANT HEALTH CENTERS

AIDS Services Foundation Orange County adopted a new name— Radiant Health Centers, on December 1, 2018 in honor of World AIDS Day.

The new name was inspired by the organization’s role as a hub that connects people to care and by the optimism inherent in the word radiance, which signifies the quality or state of having or giving off light. The new logo mark captures that radiance in a subtle rainbow of colors and a door shape which ties into its welcoming new tagline: Compassionate care for all.

“While our name has changed, our caring and compassion has not,” said Phil Yaeger, CEO of Radiant Health Centers.

While HIV has become manageable, more people than ever are living with HIV in Orange County and must take costly medications every day for the rest of their lives while still facing great stigma. These medications can suppress the virus to a level that is undetectable and, therefore, no longer transmissible to an HIV-negative partner. Despite these exciting medical advances, six people test positive for HIV every week in Orange County.

“Our goal is zero new transmissions as well as zero stigma. To get us there, we are doing everything we can to close the healthcare gap that these people are slipping through,” Yaeger said. “Adopting a new name that speaks more broadly to HIV as a healthcare and health equity issue is an important first step toward our goal.”

Another goal of Radiant Health Centers’ has been ensuring 90 percent of those living with HIV in Orange County know their HIV status.

Through its tireless prevention efforts and free and confidential testing at two locations in Irvine and Santa Ana, Radiant Health Centers has achieved that goal. However, it means that there are still about 600 to 700 people living with HIV disease who don’t know it, aren’t taking medications and are able to unknowingly pass it on to others.
AIDS WALK
ORANGE COUNTY 2017

AIDS Walk OC raised more than $150,000, bringing us one step closer to ending the AIDS epidemic in Orange County by 2025.

The funds raised directly benefitted Radiant Health Centers’ social services programs that help the men, women, and children living with HIV in Orange County. The theme for 2017’s AIDS Walk was Heroes for Zero, and many participants wore festive outfits and costumes. This theme reminded us that together, we can support each other to overcome adversity, stigma and end the HIV epidemic. It was a day to remember and honor those who have lost their lives to this tragic epidemic and to celebrate our HIV and AIDS survivors.
RADIANT HEALTH CENTERS’ ANNUAL GALA
“A MASQUED MARDI GRAS FÊTE”

The Annual Gala on January 27 raised $285,000 that went directly to Radiant Health Centers’ social services programs and prevention outreach.

Our Family and Children’s Programs, the food pantry and Education and Outreach programs all benefitted from the funds donated.

The gala was held at Santa Ana’s Yost Theatre for more than 300 Mardi Gras-attired guests. It featured a sumptuous supper-club dinner, dancing and outstanding entertainment by the “Lady of Song” Toni Malone, along with Michael Shapiro, the Royals and Big Butter Jazz Band.

“This year’s annual gala was a beautiful and memorable evening,” said Larry Will, event chair and Radiant Health Centers board member. “The incredible generosity of our attendees will help countless people living with HIV and AIDS in Orange County.”
