

Linkage to Care Case Manager

Radiant Health Centers (RHC), seeks a Linkage to Care Case Manager to provide individual-level, multi-session, time-limited intervention to link people recently diagnosed with HIV to medical care.

With a team of caring and committed individuals and hundreds of dedicated volunteers, RHC is working to eliminate the stigma and overcome health disparities impacting the Lesbian, Gay, Bisexual, Transgender, Queer + (LGBTQ+) community by providing healthy and compassionate care options.

RHC is the largest Orange County provider for such healthcare services and is currently expanding its capacity with plans to create a dedicated Federally Qualified Health Center (FQHC) for the LGBTQ+ community.

The Linkage to Care Case Manager will:

- Conduct a strengths-based assessment with clients, build effective working relationship to help clients build a step-by-step plan to accomplish personal goals.
- Coordinate and link each client to available community resources, including medical care and other needed services.
- Collaborate with project staff in advertising and media promotion of the HIV testing program, including the use of geo-social networking applications.
- Maintain accurate documentation of client's activities, including progress notes, spreadsheets, and batch notes.
- May require working evenings and weekends.

The ideal candidate will have the following qualities and qualifications:

- HIV Test Counselor Certificate provided by the California Department of Public Health preferred, and a valid California Driver's License.
- Ability to work with individuals of diverse cultures, ethnicities, sexual orientations, and gender identifications.
- Demonstrate a positive caring attitude, be client focused; value and respect others.
- Demonstrate ethical behavior, teamwork and collaboration.
- Bachelor's Degree in social work, human services, or business administration.
- Bilingual (English and Spanish)
