

MAT (Medication Assisted Treatment) Care Navigator – Full-time

Radiant Health Centers (RHC), seeks a full-time (40 hours a week) MAT Care Navigator who is responsible for coordinating care for the patient. The position supports all MAT Providers and other staff to improve outcomes with substance abuse disorders.

With a team of caring and committed individuals and hundreds of dedicated volunteers, RHC is working to eliminate the stigma and overcome health disparities impacting the Lesbian, Gay, Bisexual, Transgender, Queer + (LGBTQ+) community by providing healthy and compassionate care options.

RHC is the largest Orange County provider for such healthcare services and is currently expanding its capacity with plans to create a dedicated Federally Qualified Health Center (FQHC) for the LGBTQ+ community.

The MAT Care Navigator will:

- Serve as the primary point for contact for MAT patients enrolled in the program.
- Work with prospective patients to explain the MAT program & provide education.
- Outreach to all patients to remain engaged in the MAT program. (e.g. Schedule appointments, contact patients with missed appointments, maintain patients logs)
- Provide support for prescribing physicians and mid-level providers.
- Document patient encounters in the EHR system, utilizing templates to assist with consistency of documentation.
- Participate in Community Outreach Events as scheduled.

We are looking for candidates with the following qualifications:

- Priority given to candidates with lived experience, injection drug use/high risk.
- Ability to interview and assess patients, using appropriate assessment tools, and observe, record and report on an individual's ability to function.
- Ability to communicate in a compassionate and professional manner with all patients and families.
- Ability to interact effectively with all members of the MAT program team and other clinic members.
- Ability to utilize technologies for gathering data to meet required measures and adhere to compliance requirements.
