PRESENTED TO:

Radiant Health Centers

On behalf of the State of California and the 37th Senate District, it is my privilege to present you with this Certificate of Recognition. Your commitment to providing high quality health care and human services to those in our most vulnerable communities is deserving of the highest honors of the State of California. In recognition of your tremendous dedication to serving our Orange County residents throughout the COVID-19 pandemic and in appreciation of National Health Center Week, I hereby present you with this certificate as an expression of the high regard in which you are held by all.
