

Health Educator/Outreach Worker

Radiant Health Centers (RHC), seeks a Health Educator/Outreach Worker who educates underserved women on the importance of early detection, diagnosis and treatment, and integrated preventive services to prevent and reduce the devastating effects of cancer.

With a team of caring and committed individuals and hundreds of dedicated volunteers, RHC is working to eliminate the stigma and overcome health disparities impacting the Lesbian, Gay, Bisexual, Transgender, Queer + (LGBTQ+) community by providing healthy and compassionate care options, including case management and other services for HIV+ Orange County residents, and medical care for the larger community. RHC is the largest Orange County provider for such healthcare services and is currently expanding its capacity with plans to create a dedicated Federally Qualified Health Center (FQHC) for the LGBTQ+ community.

The Health Educator/Outreach Worker:

- Assist in the development and implementation of outreach and recruitment activities of eligible individuals between the ages of 21-64.
- Coordinate, schedule, and conduct outreach activities at locations where underserved women congregate to assess individual risk behaviors.
- Distribute relevant information and community resources to participants.
- Determine eligibility of individuals based on program criteria and continue to follow-up as needed to achieve program outcomes.
- Support clients by navigating through the process of completing screening exams as part of their routine health care.
- Document outreach and education activities, and report outcomes to manager.

The ideal candidate will have the following qualities and qualifications:

- Minimum requirement is a high school diploma or equivalent.
- Ability to coordinate and handle multiple assignments.
- Prefer candidate with experience in outreach and community organizing.
- Bilingual (English and Spanish) preferred.
