

MISSION Radiant Health Centers' mission is to provide the LGBTQ+ community medical services that are compassionate and comprehensive while continuing to serve those living with and affected by HIV.

VISION Our vision is LGBTQ+ healthcare equity and the end of the HIV epidemic in Orange County.

WHO WE HELP Radiant Health Centers provides medical and basic needs services to the HIV-positive community and expanded services to help vulnerable members of the broader LGBTQ+ community regardless of their HIV status.

HOW WE HELP

MEDICAL CARE

- **Primary Health and Specialty Infectious Disease Medical Care** – We offer compassionate health care to assess our client's need
- **HIV, STD and HepC Testing and Treatment** – Comprehensive testing and rapid treatment
- **PEP, PrEP and Rapid ART Medications** – Specialized medications for HIV prevention and treatment
- **Family Planning** – Breast and cervical exams
- **Medical Assistance Treatment** – Assistance with drug dependency
- **Hormone Replacement Therapy** – HRT treatment and counseling for those seeking to transition

.....

Give – Donate to help us provide comprehensive LGBTQ+ healthcare

Volunteer – Give your time to support our work

Educate – Advocate for LGBTQ+ healthcare

.....

SUPPORTIVE SERVICES

- **Mental Health Counseling** – Individual and group counseling for youth and adult clients, and family members
- **Case Management** – To connect clients to a continuum of care
- **Transportation** – Transportation available through bus passes, lyft rides and ACCESS coupons
- **Housing Assistance** – Financial assistance for rent, mortgage, utilities, and short-term housing
- **Food Pantry/Registered Dietician** – Grocery and dietary supplements available for pick-up and home delivery for homebound clients. Registered dietician for those with special needs
- **Benefits Counseling** – Insurance enrollment and eligibility for assistance programs

Some services are exclusive for HIV+ individuals only, contact us to learn more.
