

Clinical Nurse Case Manager Lead

Radiant Health Centers (RHC) seeks devoted, compassionate, Clinical Nurse Case Manager Lead to coordinate whole-person care for all clinic patients, specifically a lead who can manage a team of case managers. The nurse case manager lead will participate in and lead a team to review patient charts, meet with providers, patients and their families to establish the most suitable course of action. The candidate can quickly identify and remove burdens from patients to ensure they are afforded the time and space to focus on their health. Case management activities incorporate a collaborative, interdisciplinary team approach. Ultimately, a remarkable Clinical Nurse Case Manager Lead will establish warm and meaningful ties with each patient their families, and bring together a cohesive, efficient, and effective case management team.

With a team of caring and committed individuals and dedicated volunteers, RHC is working to eliminate the stigma and overcome health disparities impacting the Lesbian, Gay, Bisexual, Transgender, Questioning + (LGBTQ+) community by providing healthy and compassionate care options.

RHC is the largest Orange County provider for such healthcare services and is currently expanding its capacity with plans to create a dedicated Federally Qualified Health Center (FQHC) for the LGBTQ+ community.

Job Requirements:

- Conducting intake assessments with patients and families.
- Obtain and maintain necessary documentation regarding client's medical and demographic data, including but not limited to, necessary consents.
- Develop, implement, monitor, and modify a service care plan through an interdisciplinary team process that account for physical, financial, and other constraints. Routinely review and revise service care plans.
- Monitor all services provided to the patient and assure that all available resources are being utilized.
- Evaluate and anticipate patient needs, provide support, maintain role as patient liaison while fostering independence and decision making on the part of the patient.
- Provide home visits to patients as needed.
- Based on client assessed needs, make appropriate referrals, e.g., to a health care provider, social worker, benefits counselor, or spiritual counselor.
- As lead, participate in ongoing program evaluation, utilization review and quality assurance activities as directed by the immediate supervisor.

The ideal candidate will have the following qualities and qualifications:

- Must possess a Registered Nurse license.
- Two (2) years' experience in clinical nursing preferred.
- Experience in the LGBTQ+ community is also a plus.
- Supervisory experience.
- Bilingual (English and Spanish) preferred.
- Must be fully vaccinated and boosted.
