

## **Director of Outreach and Public Health**

Radiant Health Centers (RHC) seeks a Director of Outreach and Public Health. The Director of Outreach and Public Health provides leadership and direction to the outreach team. This position is responsible for implementation and evaluation of outreach and educational programs with emphasis on measurable outcomes based on specific grants using data and best practices.

With a team of caring and committed individuals and hundreds of dedicated volunteers, RHC is working to eliminate the stigma and overcome health disparities impacting the Lesbian, Gay, Bisexual, Transgender, Queer + (LGBTQ+) community by providing healthy and compassionate care options.

RHC is the largest Orange County provider for such healthcare services and is currently expanding its capacity with plans to create a dedicated Federally Qualified Health Center (FQHC) for the LGBTQ+ community.

The Director of Outreach and Public Health is responsible for

- Developing and implementing departmental strategic plan to grow and align efforts and resources towards agency's strategic plan and grants.
- Leading the development, implementation, management, and evaluation of plan.
- Recommending public health and educational programs based on the community needs, grants and available resources.
- Liaise closely with Development department to strategically utilize social media, marketing, and branding efforts to increase awareness of the organization's services and programs.
- Leading efforts to expand partnerships among community agencies that are aligned with agency grants/programs to increase service delivery within the LGBTQ+ community or identified focus population.
- Exercising fiscal responsibility over program budget by planning strategically, setting objectives, developing short- and long-term goals and preparing for program growth, effectiveness and success.

We are looking for candidates with the following qualities:

- Ability to work with diverse client populations.
- Bachelors in public health or related degree preferred or equivalent experience required.
- 6-8 years of professional experience in community outreach and engagement including direct experience working in or with individuals who have experienced homelessness, who have traumatic histories, identify as LGBTQ, are gender non-conforming and/or who often face multiple issues and have complex needs.
- Proven leadership and success in engagement and mobilization at the individual, community, and organizational levels, strong interpersonal and relationship building skills, with the demonstrated ability to influence others.

- Demonstrated ability to manage to an outcomes-based approach; proven experience of outreach and mobilization, managing outcomes, and developing and using data to inform continuous improvement and decision-making.
