

Family Medicine/HIV Physician/Nurse Practitioner – Full-Time, Irvine, CA

Radiant Health Centers (RHC) seeks an outpatient Family Medicine & HIV Physician/NP who provides patients with high-quality, compassionate, and evidence-based care. The right candidate must have a passion for providing services to all patients, particularly the LGBTQ+ and underserved communities, and working closely with a diverse healthcare team. We offer flexible schedules (including telehealth) and excellent benefits.

With a team of caring and committed individuals and dedicated volunteers, RHC is working to eliminate the stigma and overcome health disparities impacting the Lesbian, Gay, Bisexual, Transgender, Questioning + (LGBTQ+) community. And as RHC branches out to provide full-scope primary care with a focus on underserved communities, we seek candidates who are passionate in providing care to patients of all ages, genders, and backgrounds.

RHC is proud to be the only LGBTQ+ medical clinic in Orange County. We are actively working to become a Federally Qualified Health Centers (FQHC) in the near future.

Job Requirements:

- Perform medical procedures as needed and counsel patients.
- Furnish medical treatment, consultation, and diagnosis as defined by RHC's protocols and treatment guidelines including medical histories and physicals.
- Diagnose and/or treat acute health care problems such as illnesses, infections, or injuries.
- Prescribe and/or dispense medications, counsel patients about drug regimens, possible side-effects or interactions with other substances.
- Maintain complete and detailed records of patient's health care plans and prognoses.

The ideal candidate will have the following qualities and qualifications:

- 3-5 years post-residency/training experience in direct patient care preferred
- AAHIVS certification preferred, but not required
- Experience working and sensitivity towards the Lesbian, Gay, Bisexual, Transgender and Queer +(LGBTQ+) population
- Knowledge in PrEP/PEP/hormone replacement therapy
- Experience working in FQHCs or community clinics
- A current unrestricted license to practice medicine in the State of California.
- Bilingual (English and Spanish) preferred.
