

Partnership & Investment Opportunities

A 31-Day, 40-Mile Virtual Walk. Every Way You Move Counts.

How Can We Be Part of Radiant Quest?

Every partnership helps launch Orange County's newest community health movement.

OCTOBER 1-31, 2026 | 31-DAY CHALLENGE | 40-MILE VIRTUAL JOURNEY

Every partnership makes compassionate, judgment-free healthcare possible for Orange County families, and helps build a tradition designed to grow for decades. This guide outlines how your organization can take part, and at what level.

2026 GOALS

Partnership Opportunities

Every level below is a starting investment, not a fixed package. Radiant Health Centers will tailor the experience, and the recognition, to what matters most to your organization.

Presenting Partner

STARTING AT \$25,000

The organization that Orange County will always associate with the beginning of Radiant Quest.

COMMUNITY IMPACT

Underwrites a defining share of October's care, the equivalent of hundreds of patient visits.

EMPLOYEE ENGAGEMENT

First choice of Journey Chapter, a branded Corporate Challenge, and white-glove onboarding for your walking team.

BRAND LEADERSHIP

Top-tier placement across the publication, website, and digital passport, plus your choice of named recognition, a speaking role, or a banner on the stretch of route you sponsor.

Visionary Partner

STARTING AT \$10,000

A named steward of one chapter in Radiant's forty-year story.

COMMUNITY IMPACT

Presents a full Journey Chapter: ten miles, a decade of history, told in your organization's name.

EMPLOYEE ENGAGEMENT

A dedicated Corporate Challenge and a branded team leaderboard page.

BRAND LEADERSHIP

Featured recognition in the publication, a branded banner across your ten miles, and category exclusivity within your chapter.

Champion Partner

STARTING AT \$5,000

The partner who keeps everyone moving when the miles get hard.

COMMUNITY IMPACT

Underwrites a Wellness Challenge for the full community, mid-journey.

EMPLOYEE ENGAGEMENT

Company walking team with branded gear and leaderboard presence.

BRAND LEADERSHIP

Named recognition in Radiant Quest materials and at the Finish Line celebration.

Community Partner

STARTING AT \$2,500

A visible, values-aligned presence across the entire month.

COMMUNITY IMPACT

Supports Radiant Quest operations, outreach, and everyday care.

EMPLOYEE ENGAGEMENT

Team registration so employees can walk Radiant Quest together.

BRAND LEADERSHIP

Listed recognition across Radiant Quest materials and the website.

Legacy Mile Partner

STARTING AT \$1,000

One mile. One year. Forty of these make the whole journey possible.

COMMUNITY IMPACT

Adopts a single year of Radiant's forty-year history.

EMPLOYEE ENGAGEMENT

Open to an individual, a team, or a family.

BRAND LEADERSHIP

Name featured on that mile's milestone page.

Every level can also be combined.

A Champion-level investment paired with a Legacy Mile. A Community Partnership built around a single Wellness Challenge. Partnerships at every tier can blend elements from multiple opportunities. The next page shows how the pieces come together.

Every Partnership Can Be Unique

A partnership at any level can be shaped around what matters most to your organization: the cause your people rally around, the story you want to help tell, or the visibility that fits your brand. Combine elements across these categories to build something that's entirely yours.

Own the Journey

- Journey Chapter
- Finish Line
- Digital Passport
- Leaderboard
- Volunteer Experience
- Wellness Challenge
- Journey Checkpoints
- Recognition Experiences

Leave a Legacy

- Legacy Mile
- Historical Milestone
- Patient Story
- Community Story
- Mission Moment
- Founding Partner Recognition

Engage Your Team

- Corporate Walking Team
- Employee Wellness Challenge
- Matching Gifts
- Volunteer Day
- Executive Challenge
- Team Captain Program
- Friendly Competition
- Internal Communications Toolkit

Looking for something unique?

We'll work with you to design a partnership that aligns with your organization's goals and creates meaningful impact for our community.

COMMITMENT

Every Tradition Begins with a First Step.

Radiant Quest will be an Orange County tradition for decades. Only one group of organizations will ever be able to say they were there for the first mile.

We'd like that to include you.
